THE 'INKSPOT' NOW OFF PRESS

The "Graduation Number" of the "Inkspot" is now off the press and this final issue, with 12 pages (largest ever published), is filled with most interesting articles, notes and features pictures of the senior class and school life. Undoubtedly this last issue in the present school year will prove the most outstanding in interest and circulation and considerable credit is therefore due to the staff of the Inkspot Club for their excellent effort and achievement.

Pictured on the front page is the senior class, 1941-2, with the principal, D. E. Breckenridge, and vice-principal, A. E. Vogee, and Dick Primeau, President Senior High. Within the pages are also found pictures of the Inkspot editor, Helen Cox, and her staff of 12, also a small picture of an English class outside one day in May.

The Cadet Corps with their corps instructor, N. E. West, which recently gave excellent exhibitions of ceremonial, company, platoon, rifle and section drills, etc., at their annual inspection, make a smart showing in their uniforms and in the columns you will find a listing of former pupils from North Saanich Schools who are in the services.

The School Choir, which have also made several public appearances, are pictured in the paper with their choir leader, Miss Dorothy McConnell.

Not forgetting the "tiny tots" a picture of a Dutch dance, in uniform, is shown that was taken at a recent Junior Red Cross tea.

Also included in the pictorial section of the Inkspot is the North Saanich Consolidated School which was evacuated in December of last year, and the opening of the Deep Cove School in 1913.

Features which are most interesting in this issue are the Grades 3 and 4 Personalities with a few lines concerning each pupil.

The never failing Gossip and Aunt Priscilla pages cause many a laugh and a great deal of amusement.

If you have not secured a copy of this issue same may be had from the students, who have as their circulation manager, Jack Brassour.

Annual Church Fete Date Set For July 23

GANGES, June 17. — St. George's Altar Guild held its regular monthly meeting in the Parish Room at Ganges, the president, Mrs. Jack Abbott, presiding.

All routine business was dealt with and final plans made for convening the tea on July 23, at the annual church fete.

Arrangements were made for the making up of the new altar cloth recently purchased by the guild.

There was discussion in connection with the Rural Deanery Chapter visit to the island on June 23.

It was decided to hold no more meetings until September, when they will be resumed in the Parish Room.

GANGES RED CROSS MET ON SATURDAY

GANGES, June 17. — A meeting of the Red Cross Unit was held Saturday afternoon in Ganges Inn with the president, Rev. J. Dewar, in the chair.

G. Lowe, campaign manager for the recent Red Cross drive, stated in his report that, from Ganges and North Salt Spring, the sum of \$755 had been collected, an amount which far exceeded the quota set. He congratulated and thanked the members of the committee for the excellent support given him during the drive.

A suggestion was made that the Red Cross be asked to supply blankets for the Ganges A.R.P. Station and the Rev. Dewar stated that the gratitude of the A.R.P. would be extended to anyone lending coats or stretchers for the emergency station at the Consolidated School.

The annual Garden Fete and the proposal for holding it in August was discussed and, with other suggestions brought forward, will be presented to Mrs. R. Rush and the entertainment committee.

It was announced that on Friday, June 26, a recital of Mrs. Doris Crofton's pupils will be given at 8 p.m. at Harbour House and a silver collection will be taken for the Red Cross.

The contemplated improvements for all areas cannot be accomplished immediately but it is hoped that the ratepayers in all wards will take a sympathetic view of the educational needs of the children in the whole municipality and endorse a money by-law for the benefit of neighboring wards as well as their own.

A new school in the Shelbourne-Mt. Talmie area is a most pressing need. A modern structure of eight rooms would meet the requirements of this rapidly growing district. The scores of new homes which have been erected, or are under construction in this section auger well for the future of this residential section.

For the past 27 years the Department of Education has borne the total cost of providing school facilities for Saanich children at the Model School; this has amounted to approximately \$68,000. With the conversion of the Model School into a military hospital, the school board must provide both the money and a building for the Mt. Talmie children now in grades 1-6 and for about 20 commencing next September. Meanwhile the pupils are attending Bank Street and Oaklands Schools because the Cadogan Hill and Cloverdale Schools could not absorb the surplus. It is not expected that these schools will be any less crowded in September and both schools are at least two miles away from the homes of most of the very young pupils. Thus the new school would serve the needs of the former Model School children, of the large number of beginners, and of many children, now attending other schools, who would find this school much closer to their homes. It would prove to be a good investment. (Please turn to Page Four.)

APPLICATION CARDS FOR COUPON RATIONING OF SUGAR

*will be mailed next week
to every Household in Canada*

Canadians will be required to register so that
ration cards, good for the 10 week period,
commencing July 1st, may be issued immedi-
ately. At the end of that period a coupon
ration book, good for six months, will be issued

HOW TO REGISTER

Residents in Urban Areas not served by
Letter Carrier, and Residents in
Rural Areas

Application cards will be distributed to all house-
holders through the post offices on or before Tues-
day, June 23rd. Additional cards will also be de-
livered for every person resident in the household,
who bears a different last name from the head of
the household. If needed, extra cards may be secured
from local post offices.

These application cards should be filled out im-
mediately and dropped in the nearest mail box or post
office. A pamphlet giving complete instructions will
be delivered with each card. As soon as your name
is duly registered at headquarters, ration cards,
good for a ten-week period, will be mailed to you—
one ration card for each person in your home. These
will be for sugar only.

Coupon Rationing for Sugar Becomes Effective July 1st

Beginning July 1st, no one will be permitted to buy
sugar for regular domestic use without a ration
coupon.

Prompt co-operation on the part of the public in
filling out and returning their application cards is
necessary to ensure return of the ration coupon
card in time to purchase sugar on or after the
above date.

Remember—the amount of sugar allowed each in-
dividual under the new coupon rationing plan will be
exactly the same as allowed at present—1 pound per
person per week.

WAR on WASTE

Everyone these days is declaring war on waste of every description and at New Method we, too, are on the warpath. With your co-operation we are conserving Gas and Tires and soon we must cut out many of the "frills" of doing business in order to still further cut out waste. But, in spite of many difficulties of business in wartime, we will continue to do everything possible to "Carry On" with a minimum of inconvenience to our patrons — and hope that we may be justified in calling them "Patient Patrons."

Obituary

ALBERT (DICK) SIMPSON

Another link with the pioneers of the Saanich Peninsula was broken with the passing of Albert (Dick) Simpson on Thursday, June 11, at the Royal Jubilee Hospital, Victoria.

The late Mr. Simpson, who was 72 years of age, was born in Saanichton, where he lived for many years until taking up residence in Deep Cove.

Besides his widow he leaves to mourn his passing two brothers, William Simpson and Edward Simpson, both of Victoria; two sisters, Mrs. Emma Malcolm, Victoria, and Mrs. Adelaide Wain, Cordova Bay, also several nieces and nephews.

Funeral services were conducted Monday, June 15, at Holy Trinity Church, Patricia Bay, Rev. Charles A. Sutton officiating.

Interment was made in the churchyard.

Need More Schools

(Continued from Page One.)

ment for the standpoint of attracting more ratepayers into Saanich.

At its last regular meeting the school board decided to ask the Municipal Council for \$48,000 to cover expenditures in connection with these plans. Should the council be unable to provide this amount, the councillors will be asked to submit a school by-law to the electorate. It is estimated that over a period of 20 years the highest cost in any one year would be just under \$4,000, the increase in tax rate being not more than one-half a mill. Should the by-law for the new school be not approved, it will be necessary to make plans for a by-law to provide funds with which to maintain the Model School children in their present accommodation in Victoria at \$75 per pupil per term.

Various other improvements to present school buildings are under consideration with the view to recommending certain construction projects to Hon. H. C. Perry, chairman of the Post War Rehabilitation Council.
